Project Summary

Please give a short description of your project (maximum 4 sentences):

Project Description

Please describe your project in more detail. You can submit the project description either in written form or as a video (maximum 10 minutes). In both cases we might ask you to provide more details after having reviewed your application if there are still open questions for us.

- Please address these questions in your description:** To receive funding, your project's results must contribute to at least one of these funding criteria:
- What are the overall goals of your project?
 - What will be done in the project?
 - What results will have been achieved by the end of the project?
 - What impact will these results have regarding Sea-Watch's funding criteria?
- serving to save human lives from distress at sea and dangerous situations
 - strengthening the civil fleet, for example through the development and expansion of relevant infrastructure
 - pursuing new operational avenues to enable freedom of movement to Europe for refugees
