

Declaration

The applicant organisation hereby confirms that it is not in a liquidity crisis, has not filed for insolvency and has no plans or obligations to do so.

In the case of a sea rescue project, the applicant organisation declares the following:

- The rescued persons will be disembarked in a safe port. Ports in North Africa or Turkey are not considered safe.
- No disembarkation will take place in the country of origin of the rescued boat.
- No transfer to other vessels will take place unless it is guaranteed that the rescued persons will be disembarked in a port within the European Union.
- No interviews will be made on board as part of or in preparation for an asylum procedure. Therefore, the involvement of other NGOs or intergovernmental organizations for this purpose is excluded.
- The applicant assures that the information provided is correct and complete and that significant changes to the project, in particular to the fund-ing, will be reported immediately.
- The applicant is aware that there is no entitlement to funding.

In the event of a breach of any of the above conditions, Sea-Watch e.V. can reclaim the entire amount of the funding.
